El Zapotel Project Update

Pieter Koeleman - March 15, 2008

The official opening of the El Zapotel pre-School took place on Monday February 18. Many parents and children were in attendance as well as the Mayor, a councillor and other city officials.

It was a great moment for the volunteers to witness.

Right: Officials and guests with children inside the classroom. Seen at the back left are the three volunteers: Richard, Scotty and Pieter.

Below: The ribbon cutting by Sandra Quiroz, the principal of Oruga. At the far left is councillor Linda Coello. The Man in the white shirt is a municipal official and next to him is Mayor Rodolfo Padilla Sunseri. At the far right is President Fernando Restrepo of the Usula Rotary Club.

Above: The sign and the club banners of the Rotary Clubs participating in this project.

Left: Two of the three buildings under construction. The building at the right is almost finished. The second classroom is now in use while the construction of the playroom is in the final stage. The fourth classroom will be finished before the end of April.
