Be a Global Neighbor

11 July 2008

Les,

Thank you for being number one in our schedule of Rotary Club visits. The enthusiasm of your club is contagious. Your club has done much that it can be proud of in Campbell River and the leadership and passions of you and your board members will lead it to new heights. The fellowship we enjoyed was unsurpassed.

Thank you for participating in the joint tour of projects, it helped us streamline our schedule. It is obvious that Rotary has "built Campbell River." Your signage is a model others should copy.

Make Dreams Real End Polio Now!
